

6th Anniversary The Heart of Lancaster Spring Show May 17 2025

This show is rain or shine 100% outdoor, no rain date.
This is a Juried Art and Craft Show

Juried event:

4 photos of your work, 1 of your booth fully stocked. A detailed description of how your product is made. All work must be handmade by you, the artist. We accept photos, and also email of your, work and booth.

If you get a booth under the overhang that has parking behind booth, you must pay for the parking or not take that booth. Parking behind the booth is \$40.

If you set up a 2nd tent behind the 1st tent, you must pay for that space, it will be \$75.

There will not be many spaces available for parking behind the booth so please do not ask for a space with parking unless you really need it. Thanks. If pre-juried, no photos necessary.

Displays: All display racks, chairs and coverings must be provided by the exhibitor. Tents must be white or cream. For the safety of your work, and the safety of others, we recommend 50 lb weights on all 4 corners. You may not pound stakes into the ground. We are on macadam. Tables must be covered to the ground with all boxes and other materials hidden. A backdrop is a must for this show. Absolutely no sales tags, going out of business, etc., it is not appropriate for this type of event.

Multimedia booths: Not acceptable. We are looking for what your strength is with your product, not selling things you do not make, it hurts all of our exhibitors who truly make their own items. Focus on a strong body of work. Keep it professional.

Sales Tax: All exhibitors are required to collect Pa sales tax. You must have an 8 digit number for us to turn into the state. We must have it a month before the show at the very latest. Call the Pa Dept of Revenue 717-787-6611 or www.revenue.state.pa.us

We will not be paying demonstrating artists for this event as it is going to be challenging to do great advertising with only 100 artists and 1/2 the booth fee. We will grow the show, and eventually, it will grow to a two day event. We are going to take small steps in the beginning.

We will provide a list of exhibitors, their booth number and product items you list at the **information booth in Aisle 1.**
